You can make a difference and save money!

PeakRewardsSM
a BGE Smart Energy Savers ProgramSM

BGE
We're on it.SM

Minimum Effort – Maximum Rewards

PeakRewardsSM will:

- Reduce the need to build new power plants.
- Help lower electric demand by 10% by 2015, helping to meet EmPOWER Maryland goals.
- Continue to recycle switches and thermostats as new devices are installed. The program has already saved 67 metric tons of CO₂.
